I hereby inform you that Université Paris Descartes and Université Paris Diderot are now operating as one institution since January 2020. Université de Paris is a comprehensive university which brings together a Faculty of Sciences, Faculty of Health and a Faculty of Social Sciences and Humanities and the Institut de Physique du Globe de Paris.

Following the merger, the university coordinator for the project Erasmus+ CBHE LA-CoNGA physics is now Université de Paris.

The following details should enable administrative information to be amendment:

Project title : Latin American Alliance for capacity building in Advanced Physics

Project Acronym : LA-CoNGA physics

Legal Representative : Christine Clerici

Role in the organization: President of Université de Paris

E-mail address: presidente@u-paris.fr ; secretariat.presidence@u-paris.fr

Mail address : Université de Paris Campus Grands Moulins, 4 Rue Elsa Morante, 75013, Paris

PIC : 897691060

OID : E1 0221202

All contacts for European Commission and Erasmus+ projects remain unchanged, so please continue to use the same channels you have been using. For more detailed information about our university, please visit: u-paris.fr

Thank you for your continuous support.

Christine CLERICI
